Risk Mitigation-Personnel Screening

As stated before, and as will be stated many times, again, the CFCMS cannot offer what it offers, especially its free CME dinner meetings and speakers, without the help of its Circle of Friend partners.

Please seek the wisdom of these professionals and find out what they have to offer your practice. You have to patronize similar businesses as these Circle of Friends, so please, at least inquire of the Circle of Friends' businesses that are supporting your society.
